THE 1955

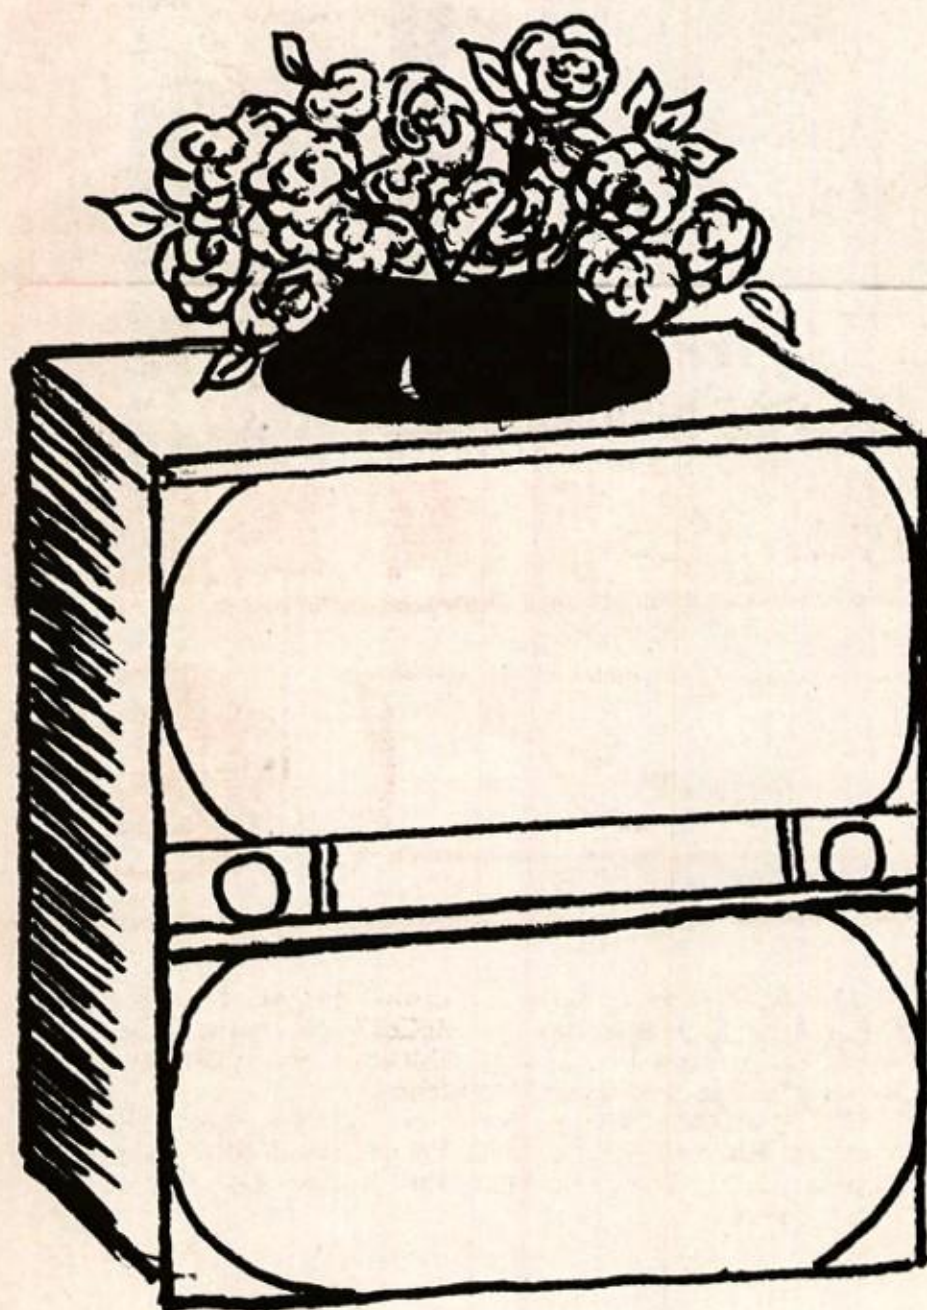

John Cook and Sandra Fee gathering material study in the library in preparing for the preliminary district-state tests.

John Cook may be "burning the midnight oil" as he gains additional knowledge that will be helpful in preparing for the tests and his work.

During the course of activities and studies during the nine month period of the school year many unusual happenings have taken place. Shelby High School is unusual this year —1954-1955—in that not one but many outstanding events have occurred; events that will mean challenges and changes for future student groups. The Whippet Football Team again walked away with honors in the Northern Ohio League and captured the first-place honors by winning all their league games. Not to be outdone the Basketball Team chalked up a most outstanding record by winning every game in the regular season (18 games) and thus became the first Whippet Team to become undisputed NOL champions.

The school year 1954-1955 saw three new organizations started in the school. These were the Shelby Hi-Y Group, the Biology Club, and THE WHIPPET TALES. The staff of this book salutes all three of these new groups and wishes them well as they embark on future programs. This year special attention is directed to the scholarship group or team who represented the school in scholastic events in district and state contests. Many students prepared for various tests to determine winners who would serve as representatives in state events. These winners did well and were awarded outstanding honors in state-wide competition.

SCARLET "S"

Every spring Preliminary District State Scholarship Tests are administered at Shelby High to determine the winners for the nineteen subjects examinations held at the College of Wooster on the first Saturday in May. Three winners for each subject are named and these students prepare diligently for the exams that are given at specified centers throughout the State of Ohio.

FOREWORD

TELEVISION has presented new challenges to Education and Entertainment. Never before has it been possible to see so much of the world and all the happenings in the world; never before has it been within the reach of almost everyone to view a TV program.

With this challenge presented the publishers of the 1955 SCARLET S have chosen a TELEVISION THEME for this year's publication.

You have been able to SEE IT NOW because you are here and have taken an active part in the happenings of Shelby High School for the year. The yearbook will serve as a "Television Set" for you in the future to SEE IT THEN on the happenings as they have occurred this year. You will be able to review with interest and fond memories the interesting parts that people have played in this the longest TV program on record—a program continuing for over nine months.

The publishers of the 1955 SCARLET S hope that you will recall with interest the happenings in which you have taken the most active interest and part.

THIS IS YOUR BOOK

MISS RUTH STROUP

This year the Senior Class and the SCARLET S Staff take pride in dedicating the 1955 SCARLET S to a teacher who through her tireless and practically unheralded efforts has helped the Senior Class and the entire school in many ways.

She is always ready with a helping hand or an understanding word for all who need it.

Besides teaching 7th and 8th grade arithmetic and plane geometry, she finds time to sort and count the many sales tax stamps brought in by the students. Thanks to her counting and sorting, the school now boasts a new scoreboard.

Next to teaching, her biggest job for the past years has been directing the Senior Candy Stand. This includes the selecting, storing, and selling of the candy, not only for noon, but also for football and basketball games.

When one realizes the responsibility of this duty, it is easier to appreciate all the work she does.

Thus, she is to us as sweet as the candy she sells; and so it is our pleasure to have the honor of dedicating this, the SCARLET S of 1955, to you, Miss Ruth Stroup.

SHELBY BOARD OF EDUCATION

Left to Right: Sanford Weaver, Clerk of the Board; Arthur Love, board member; S. R. Bricker, board member; E. Paul Curry, vice-president; Dr. E. D. Dowds, board member; Byron H. Carmean, superintendent; and Wayne Carleton, president.

The Shelby Board of Education meets regularly throughout the year on the third Thursday of each month. They have had special meetings during the past year to make final arrangements for the completion of the new Whitney School and the Central School Gymnasium.

SANFORD WEAVER, A. B.

Mr. Weaver was formerly a member of the teaching staff of the high school. Six years ago he was named Clerk of the Board of Education and has held this position since.

BYRON H. CARMEAN, A. B., M. A.
"School Days"

The superintendent of schools in these modern times may not have to worry about TV programs in the classroom. His major problem is to provide classrooms, teachers, and athletic facilities for the hundreds of boys and girls enrolled in the public schools today. Mr. Carmean has performed this task very well in providing classrooms for the many pupils in Shelby Schools; excellent teachers; and unusual facilities for extra-curricular activities of the student and the school. The new gym at Central School together with the three new elementary buildings and the annex at the high school are evidence of the way Mr. Carmean, the Board of Education, and the people of Shelby have provided for the students' needs.

ADMINISTRATORS

J. E. MCCOLLOUGH, A. B., M. A.
"Mambo Italiano" (By request)

Mr. McCollough has served as principal of Shelby High School for the past nine years. During that time he has seen the enrollment of the school grow annually and he is planning for an even larger number of students in the fall of 1955. Scheduling this large number of pupils is a task in itself; another is to find rooms available for each of the six periods during the school day. A third task is the problem of scheduling events in the school and checking the school calendar constantly so that there is a minimum of overlapping of school activities. Mr. McCollough has not stated this in words but we believe that he would welcome a TV set in his office so that he could turn in on and see what was happening in any part or room of the building as well as the play field at any time in the day.

CLASSES . . . FIRST THE SENIORS . . .

Upon entering the Freshman year, a girl begins to think of the day she will be escorted to the Junior-Senior Prom. When that day arrived for the girls of our present Senior Class, they had no reason to be disappointed in the gala spectacle.

"Aqua Escapades" as it was appropriately called, took place on May 22, 1954. The gym was decorated to give the illusion of being under clear blue water. Refreshments were served amid schools of fish. The Seniors were flooded with comments on the decorations.

LIBRARIANS

Few students realize the importance of our fine library at S.H.S. Under Miss Kuhn's able direction these girls attained invaluable experience while assisting her in checking books, placing them on shelves, and classifying new ones. These helpers also check attendance, and keep order during class.

SECOND ROW: Judy Brinson, Charlene Smith, Barbara Hoppes.
FIRST ROW: Peggy Close, Margaret Laubie, Eunice Shank, Miss Kuhn.

SECRETARIES

FIRST ROW: Ruth Tullis, Arlin Cooke, Barbara Maley, Beverly Hoak, Beverly Davis, Doris Lybarger, Carol Doty.
SECOND ROW: Margaret Kime, Alice Marshall, Barbara Hageman, Melinda Beck, Jean Sturts, Carole Glower.
Noralee Williamson and Elsie Swanger were not present for the picture.

These girls have worked hard and gained some valuable experience in their duties as secretaries for various departments. These departments are: music, attendance, dramatics, principal's office, and school records.

The secretaries should be commended for a job well done.

Athletic Department — R. Tullis and C. Doty

School Fund—D. Lybarger

Attendance — A. Marshall, M. Beck, N. Williamson, and E. Swanger.

Dramatics — B. Hageman
Principal's Office — C. Glower

Music — A. Cooke, B. Maley, B. Hoak, B. Davis, J. Sturts, and M. Kime.

THE USHERS HELP YOU SEE IT NOW

FIRST ROW—Left to Right: Irene Copeland, Sue Kocher, Barbara Hoppes, Mary Katherine Glower, Eileen Holland, Judy Troxell, Colleen Henson.
SECOND ROW—Left to Right: Bonnie Siegfried, Judy Perry, Carol Doty, Mary Jane Whisler, Patty Nelson, Mrs. Berney, Marianne Turner.

The ushers are chosen and supervised by Mrs. Berney. She takes into consideration their grade averages and also their activities; because she wants someone who is able to usher when needed. These girls usher at all school functions, such as school plays, band concerts, choir concerts, baccalaureate, commencement, and also for other civic programs given in the auditorium. They work very hard to make visitors feel at home and enjoy the programs.

GIRLS' STATE

Mary Lee Tullis, Sandra Fee.

David Brown, Joe Amato.

LEFT TO RIGHT: Tom Sheppard, Ron Terry, George Williams, Dick Cecil, John Cook, Duane Emerson.

June 20, 550 girls from all over the State of Ohio met on the campus of Capital University to begin a week of practical government study. Sunday was spent in getting acquainted. Elections were held Tuesday, and the rest of the week was spent in running the government of the mythical forty-ninth state. These girls were sponsored by the American Legion Auxiliary and the Lambda Chi Omega Sorority of Shelby and were chosen by the faculty members of the high school.

BUCKEYE BOYS' STATE

The annual Buckeye Boys' State was held at Camp Perry, on Lake Erie last summer from June 11th through the 20th.

Nearly a thousand boys from all parts of the state enjoyed ten days of State, City, and County Government study under the supervision of the Ohio American Legion.

Highlights of the stay were two speeches. One was given by Lieutenant-Governor John Brown. The other was given by Dr. Nyarodi, author of the book, **My Ringside Seat in Moscow**. Both gentlemen received a rousing, standing ovation.

HI-Y CLUB

Late last summer two Shelby youth, Dana Shadrick and Ed Stevens, were sent to the Camp Nelson Dodd by the Shelby Family Y. M. C. A. with the idea of learning something about Hi-Y Clubs for high school boys. These two young lads returned to Shelby determined to start a local Hi-Y group with the assistance of the Shelby Y. M. C. A. and particularly the encouragement of Mr. James Shepherd, a club was formed.

Shelby lads joined the group and were formally inducted into the club membership in October at the First Lutheran Church. The Mansfield Senior Hi-Y group conducted the induction services.

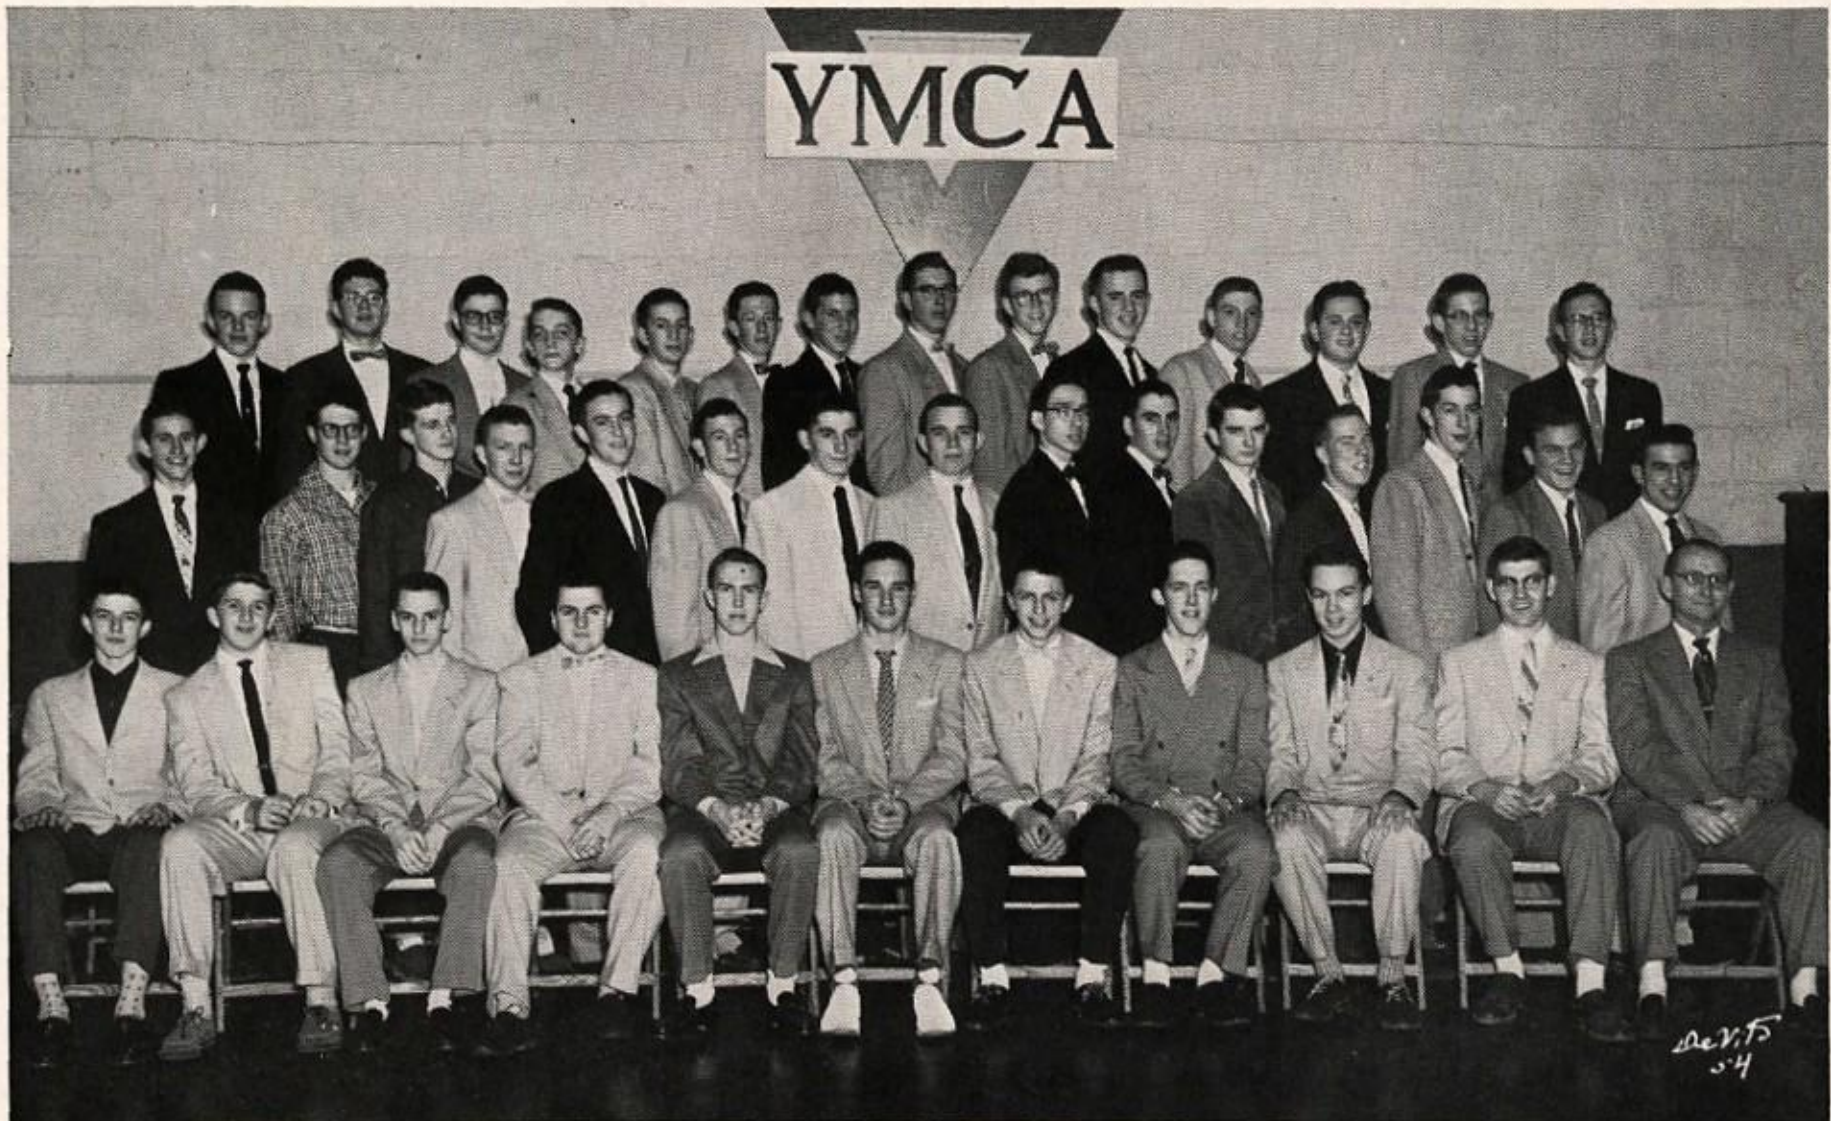

Throughout the school year the Hi-Y Club has sponsored dances, parties, and entertain-

ments for Shelby young people as well as interesting programs for the members. One assembly program featuring Mr. George Campbell, internationally known song leader, as the featured guest. Dances were held following the home football and basketball games.

All of the projects required much planning. The Scarlet S staff salutes the new organization as the first Hi-Y club in Shelby.

Officers of the group are:

THE STUDENT COUNCIL

One source of activity for the student council members is the preparing and selling of programs for the football games. Here two members have the facts to "See the Game Now."

This group of students known as the student council is the representative body of Shelby High School. Among the duties of the student council is the financing of the assembly programs presented to the student body. In order to raise the funds for these programs the council undertakes the sale of football programs at all home games. The group also sponsors the awards given on recognition day for the best citizen and most courteous in each grade, and also the most worthy student in the entire school. Also included in this busy group's schedule is the election of the homecoming queen and the supervision of the homecoming ceremony. Other duties of the council include the Red Cross collection and other functions of this type.

SPRING CONCERT

In May 1954 the band members dressed in formal attire presented their annual Spring Concert. It was beautifully done and will be long remembered by the people who attended, as well as those who took part.

The Shelby Whippet Band started off the 1954 marching season with its traditional precision and snap. Again they proved themselves capable of great half-time performances.

The programs started out with a rousing fanfare as the high-stepping band moved down the field at a rapid tempo, it thrilled the spectators with intricate drillwork and fast-moving music.

The drill climaxed in the now famous straight line. Next came the theme of the evening's program with a dance by the band and the black-light scene. The band moved into the figure "S" and then moved off the field with its traditional "Caisson Song."

The band, again this year, proved itself equal to the team in sportsmanship and spirit. Throughout each game the members were outstanding in cheering and they were in playing their instruments.

SENIORS PRESENT

'THE CURIOUS SAVAGE'

Eleven members of the Senior class presented "The Curious Savage", a three act comedy, November 8 and 9.

The play was about an attempt to have Mrs. Savage, played by Sandra Fee, permanently admitted to "The Cloisters", an insane asylum. This attempt is made by her step-children: Titus, Fred Shaw; Lily Belle, Melinda Beck; and Samuel, Tom Shepperd.

The crowd got many laughs from the antics of Beth Milliron as Fairy Mae; the great violin playing of Larry Baker as Hannibal; Dana Shadrick as the great pianist; Jeffrey Meredith's nursing his imaginary scar; Jeanette Will as Florence, talking with and taking care of her imaginary son, John Thomas; while Kay Knapp as Mrs. Paddy stood silently painting her seascapes except for an occasional "I hate everything in the world—" and making good her vow to give up electricity for Lent.

Doctor Emmett, Richard Hillard, and Miss Wilhelmina, Colleen Henson, had many headaches before the stolen bonds were recovered and Mrs. Savage was sent sadly on her way.

The seniors and Mr. Keiser, their director, should be congratulated upon a job well done.

The evenings of March 8 and 10 saw a few last minute preparations for the all-school play, "Best Foot Forward," presented by the Thespian Club. This year Mr. James Keiser attempted something different, as the play was a musical comedy.

The scene took place in Winsocki Prep School where preparations were being made for the annual senior prom. Bud Hooper, played by Eddie Randall, found himself in an embarrassing situ-

ation, since he had invited a famous movie star, Gale Joy, Eileen Bilka, never dreaming she would accept, he invited his regular girl, Helen, Beth Crum. His roommates, Dick Jones and Gary Kocher, tried to help, but the plans were discovered by Dr. Reeber, Tom Sheppard.

The evening afforded many laughs as the trials and tribulations of the cast unfolded. It was truly an outstanding performance.

Throughout the school year the choir participated in many events, the first of which was the annual Christmas concert. The performance was highlighted by the participation of Susie Plocher and Bobby Lafferty, kindergarten students, in "T'was the Night Before Christmas."

The combined choir and Band concert was presented on February 13, in preparation for the music contests to be held in the spring.

Following the contest the choir took part in the N. O. L. Choir Festival at Norwalk.

The major event of the year toward which the choir works, however, is the annual Spring Concert in May. Congratulations for a job well done.

The selections presented at the Christmas concert December 12 were: Christmas Street, On the Eve of First Christmas, Ave Maria, What Child Is This, I Wonder as I Wander, Carol of the Birds, Jingle Bells, 'Twas The Night Before Christmas, and We Wish You a Merry Christmas.

During the Sunday afternoon concert, February 13, the choir sang: Lo A Voice To Heaven, Let My Soul Rise In Song, No Man Is An Island, Begin The Beguine, and A-Round The Corner.

Shelby High School's fine reputation is further elevated by the excellent record its musicians make during the year at the district and state solo and ensemble contests. These students journeyed to Mount Vernon on March 12 to compete in the district music contest; those receiving superior ratings at Mount Vernon competed in the state competition at Kent State University on April 2. Here the hours of practice of many weeks were rewarded by the recognition they received.

The french horn quartet with Marsha St. John, Janice Knapp, June Knight, and Sandra Boudinot

received a superior rating in the district contest and they went on to receive an excellent rating in the state.

Those receiving excellent ratings in the district contest were the trumpet quartet, Tom Ellis, Don Yetzer, Kenneth Ewalt, and Richard Armstrong; flute trio, Genavee Ingram, Faye Sipe, and Nancy McLaughlin; clarinet quartet, Janet Copeland, Beverly Davis, Janice Copeland, and Connie Stevens; flute trio, Nancy Jones, Rosalie Black, and Sara Brinson; and a miscellaneous trio, Bonnie Graham, Richard Hillard, and Elizabeth Waines.

Another of Shelby's prides is the vocal ensembles. These groups work hard to bring themselves to perfection. Not only did they entertain at many school and outside activities, but they also earned honors in the district contest at Mount Vernon.

These vocal ensembles have sung for various social and business groups in Shelby during the school year. They also took part in many school programs and assemblies.

SUBSCRIPTION STAFF FOR SCARLET "S"

The Subscription Staff for the 1955 SCARLET S was composed of members of the senior class. These members started taking subscriptions for the yearbook in the fall of 1954 after an assembly program was given to stimulate interest in the book. John Cook, who served as subscription manager, also had charge of the assembly which presented various musical groups of the school in a so-called "Hit parade of songs."

Orders for the book were taken in each home-room for a period of one week and during that time students were urged to buy a copy to use as treasure-book of memories for the school year 1954-1955. Eleanor Sipes and her assistant, Ruth Tullis, had charge of counting and de-

positing the money and keeping accurate records.

This year more yearbooks were ordered than any other time in the history of the school. This was due to the increased enrollment, the added interest in the book, and the realization that this was indeed a bargain since the book did not cost the individual student as much as many other schools were charging.

The members of the Subscription Staff are responsible for delivering the books to the home-rooms and giving a copy to each subscriber. This year more than 700 students and teachers ordered copies of the yearbook.

El Circulo Espanol began its year with an extremely informal initiation early in October at which time twenty-five new members were admitted to the club. Later in the same month the club had its first social meeting.

Early in December the club formulated its

main project of the year, the Snowball. The theme centered about a winter's night. This eighth-annual Snowball was the largest of the series begun in 1947.

Throughout the remainder of the year, the club met several times for social activities.

FUTURE FARMERS

The Shelby Chapter of the Future Farmers of America has now been established four years. Every second Monday of each month they hold their regular meeting. Officers for the year were as follows:

President	Tom Sheppard
Vice President	Pat Finnegan
Treasurer	Dennis Davis
Secretary	Bob Barber
Sentinal	Bill Moon
Reporter	Buddy Barnes
Student Advisor	Walter Miller
Historian	Leo Messersmith
Advisor	John Shank

There were thirty-nine members in F.F.A. this year. One of the main money-making projects for the year was the sale of Christmas cards. All the members helped and the returns were used for an educational trip to the city of Detroit. The high lights of the trip were: visits to the Ford Motor Plant, Ferguson Plant, Greenfield Village and Museum, Ford Rotunda, a short visit to Canada, and a safe return trip home.

Some of the events in which members of the chapter took part in were: During the last week of July, Tom Sheppard, Bob Barber, and Gary Sand attended F.F.A. Camp at Camp Muskin-

gum. Mr. Shank also attended camp. Project account meeting at Sullivan on Sept. 3rd.

On Dec. 9 the parliamentary procedure team won gold rating at Lexington. The chairmen were Tom Sheppard, Pat Finnegan, and Dennis Davis. Other members were: Bob Bonecutter, Bob Barber, George Barnes, Tom Ellis, Jerry Marshall, Leo Messersmith, Bill Moon, and Walter Miller.

On Feb. 16, the public speaking contest was held at Shelby. Tom Sheppard gave the extemporaneous speech and Pat Finnegan gave the prepared speech.

On Jan. 29, Tom Sheppard took the agricultural scholarship test at Madison High School in Mansfield.

Spring planning meeting at Lexington on March 28.

District land judging, and livestock judging at Crawford County on Saturday April 3.

District Dairy Judging at Richland County on Wednesday May 4.

District Crops, Sheep and Wool Judging at Ashland on Thursday May 12.

On June 3 and 4 ten judging teams went to Columbus for the state judging contest. Two members attended the State F.F.A. Convention.

SHELBY'S F. H. A. UNIT

Few people realize the many activities of the Future Homemakers of America. During this year the girls participated in two county rallies, a state convention, sent delegates to F. H. A. summer camp, and sold popcorn balls, Christmas cards, and baked goods.

The big event of the year, however, was the annual Valentine's Dance, Cupid's Ball, co-sponsored with the F. F. A. The queen, Alice Marshall, and her attendants, Beth Milliron and Eileen Holland, reigned over the festive evening.

Besides having an informal initiation in the fall, the F. H. A. also had a formal initiation in February. The girls' mothers were present for the candle-lit ceremony, which everyone found very impressive.

All in all, it has proved a very busy year for the Future Homemakers.

THE THESPIAN CLUB

Shelby students are given the opportunity to become members of the National Thespian Society. To become eligible for membership a student must participate in some dramatic productions. In this way neophytes (students working to become members) accumulate the required number of points. Neophytes may do this by having parts in plays or working on committees.

During December ten new members were initiated into the Thespian Club. The initiation ceremony was formal. Another initiation was held in May.

Mr. Keiser served as advisor for the Shelby Chapter. Through Mr. Keiser's help and advice, the Thespian Club presented the all-school play "Best Foot Forward." The Club also sponsored the "Sock Hop." The money from this dance went to pay for the trip to Cleveland to see an outstanding play. This trip is always looked forward to by all and is not easily forgotten.

The officers of the Club are: President, Dana Shadrack; Vice-President, Dave Yetzer; Secretary, Doris Lybarger; Treasurer, Mary Lee Tullis.

STAGE CREW

FIRST ROW, Left to Right: David Hoover, James Burgess, Charles Ridenour, Richard Adam, and Bill Lowery.
SECOND ROW: Dick Jones, James Biddle, William Reis, and Larry Loomis.
THIRD ROW: Ted Sergeant, Don Wolford, Carl Gurney, Don Karr, and Mr. Keiser, Advisor.

One outstanding group in any school that presents plays and entertainments is the so-called stage crew. This group of boys selected by the speech instructor, Mr. Keiser, has charge of arranging scenery, installing lighting, operating the curtains, and a thousand and one other details for all school entertainments and plays, musicals, and concerts together with the community programs that are given in the school auditorium.

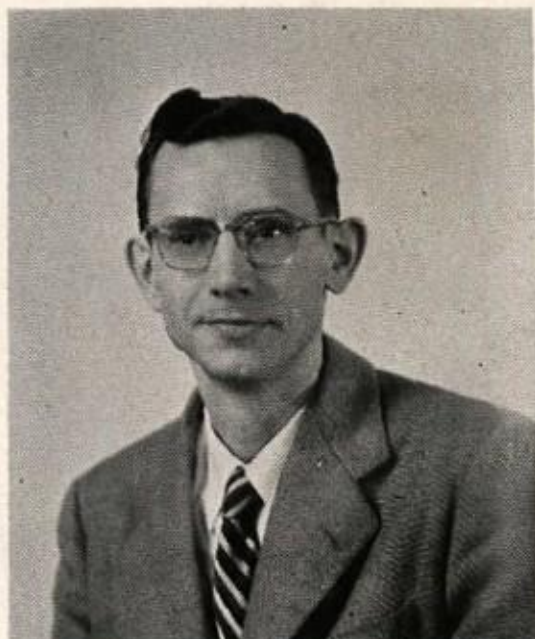

Being a member of the stage crew requires much sacrifice on the part of every member. Many hours are spent in painting scenery and arranging it. Each member must be present at

an early hour before each performance and be ready to take his place assigned. After the performances and the stars have received acclaims from the audiences, the unsung heroes of the stage—the stage crew—get to work and start the dismantling job. Every item must be replaced in its proper place so that the director and crew will know where things are for the next performance which may be one week away or two months.

The stage crew of the school year 1954-1955 have worked hard and long to assist in making the stage performances such outstanding successes this year.

RICHARD LOY

Student Teacher from Bowling Green State University. Mr. Loy joined the high school faculty in January to do student teaching in the metal shop of the Industrial Arts Department. Mr. Loy resides in Bucyrus and will receive his college degree in June, 1955.

MRS. DOLORES LEONHARDT

Secretary to High School Principal.

Mrs. Leonhardt returned to the high school in January after Mrs. Innis had resigned.

'HIGH GROUND' GIVEN BY JUNIORS

TOP ROW, Left to Right, Marjorie Jenkins, Eileen Bilka, Susie Heckel, Don Thurman, Carolyn Heuberger, Jane Fath.

BOTTOM ROW: Dennis DuVall, Jean Sturts, Eileen Metzger, Beth Crum, Eddie Randall.

The Juniors should be congratulated for their fine presentation of High Ground, April 28 and 29. This was the story of a great artist, Sarat Carn, who was being taken to be executed for the murder of her brother. On the way to the death-house, she and her guards were marooned in a convent by a flash-flood.

Although all proof pointed otherwise, Sister Mary believed in Sarat, and set about to prove her innocence. When Sister Mary discovered the real murderer, everyone was completely surprised.

This play was very difficult to produce because of the setting and the properties.

BIOLOGY CLUB

FIRST ROW: Miss Snyder, S. Heineking, B. Maley, J. Troxell, M. Turner, P. Wilson, K. Haspeslagh, E. J. Blosser, S. Query, and C. Henson.

SECOND ROW: S. Brinson, N. Leonhart, E. Waines, S. Thompson, S. Seaman, J. Yosick, M. K. Glower, M. Jenkins, P. Whalen, and C. Stevens.

THIRD ROW: J. Gaddis, J. Fichter, D. DuVall, J. Light, M. St. John, F. Lightfoot, G. Kocher, and L. Jarrell.

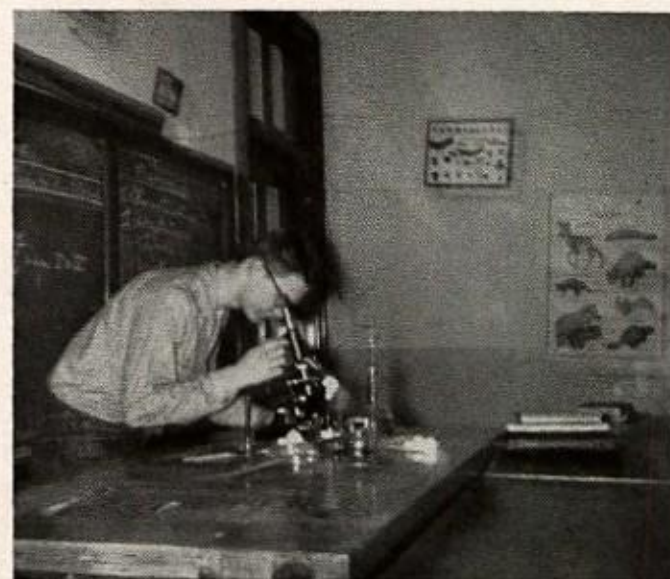

A new adventure in club activities this year was the founding of the Biology Club under the supervision of Miss Harryet Snyder, biology instructor. Pupils interested in sciences and particularly biological areas, were given the opportunity to become members of this group. Meeting regularly throughout the school year they planned and formulated interesting experiments, discussed scientific developments and stimulated interest in different phases of science.

Officers elected to serve the club were:

President Gary Kocher

Secretary Sara Seaman

Gary Kocher, President of the Biology Club, gazing intensely through the microscope at a biological specimen.
Sharon Heineking balancing the books for the Biology Club.

WHIPPETS PUBLISH NEWSPAPER

Whippet Tales began in April, 1954, as an extra-curricular project of the World History classes under the supervision of Miss Bowman and Miss Blackford. During that spring three issues were mimeographed. The first issue was given to each student and the staff sold approximately 400 copies.

Last fall the newspaper was continued. The new staff was chosen from those who signed up. Seven issues were printed during the school year. The papers were printed by the Shelby Printing Service.

Much work has to be done before each issue is ready for the distribution staff. First, the reporters write and rewrite their articles and then they give their articles to Miss Arrington for her approval. After she has approved the articles, the

typists type them. The articles are then sent back to the printer. When they come back from the printer, the staff assembles the paper. The newly-assembled paper is sent back to the printer. He sets the paper up and prints the dummy. The staff finally approves this copy and the paper is ready for publication. Although it is a lot of work, the staff found much pride and gratification from working on the newspaper. The school newspaper was accepted with great enthusiasm by the student body and faculty.

The staff is:

THE QUEEN . . .

*Miss
Marilyn
Finnegan*

An outstanding honor was bestowed upon Miss Marilyn Finnegan, when the students of Shelby High School elected her to reign as their 1954 Homecoming Queen. She was elected on the basis of a pleasing personality and popularity among the students. This is an honor we know she will long remember.

HER ATTENDANTS

NOL CHAMPIONS 1954

The Whippets this year continued in fine style the spirited tradition of football at Shelby High School. Winning eight of nine games this season, the Whippets rambled through the league once again to cop their third straight Northern Ohio League Championship.

Coach Bill Wilkins celebrated his seventh year at the helm of the Whippets by taking his fifth N. O. L. Championship.

After losing a heart breaker in the opener to Ashland 6 to 0, the Shelby gridders rebounded to win eight straight games.

Following the Ashland loss the Whippets defeated a highly rated Norwalk team 25-7. This proved to be the first in a series of eight Shelby victories.

The Red and Gray then smashed an experienced Galion eleven by a score of 28-13. The following week the Whippets, backed by the Band and the students made short work of Willard, the potential powerhouse of the league, by blanking the Flashes 39-0. Playing in a sea of mud the Whippets then drowned out a speedy Upper team 32-7.

Then one of Shelby's traditional rivals, Bellevue, came to town only to be turned back by a close score of 20-19. This was one of the deciding factors in the Whippet's march to the championship.

The Whippets then rambled over Bucyrus and Tiffin Columbian by scores of 59-21 and 59-6 respectively.

Captains Keiser and Emerson leading the Whippets onto the field.

Then in the finale of a great season the Shelby gridders met an undefeated Madison eleven on W. W. Skiles Athletic Field. Playing before the largest crowd of the season the N. O. L. Champs ended the Rams victory skein and completed a very successful season with a 20-12 victory.

And so the Shelby Whippets completed another great season and the community can be justly proud of this great team, a wonderful marching band, the spirited cheerleaders, and the most loyal student body in the land.

FIFTH ROW—Left to Right: Bob Shedenhelm, Manager, Jim Fromm, Gene Dunlap, Tom Wilcox, Larry Keiser, Donald Boyan, Albert Yetzer, Richard Sines, and Jack Robb, Coach.

This year the Junior Varsity gridders numbered 60. After losing the bigger share of his players from last year to the Varsity, Coach Jack Robb has an almost impossible rebuilding job in front of him. From the first day of practice though, these young grid hopefuls worked hard to improve their skill. And improve they did in every

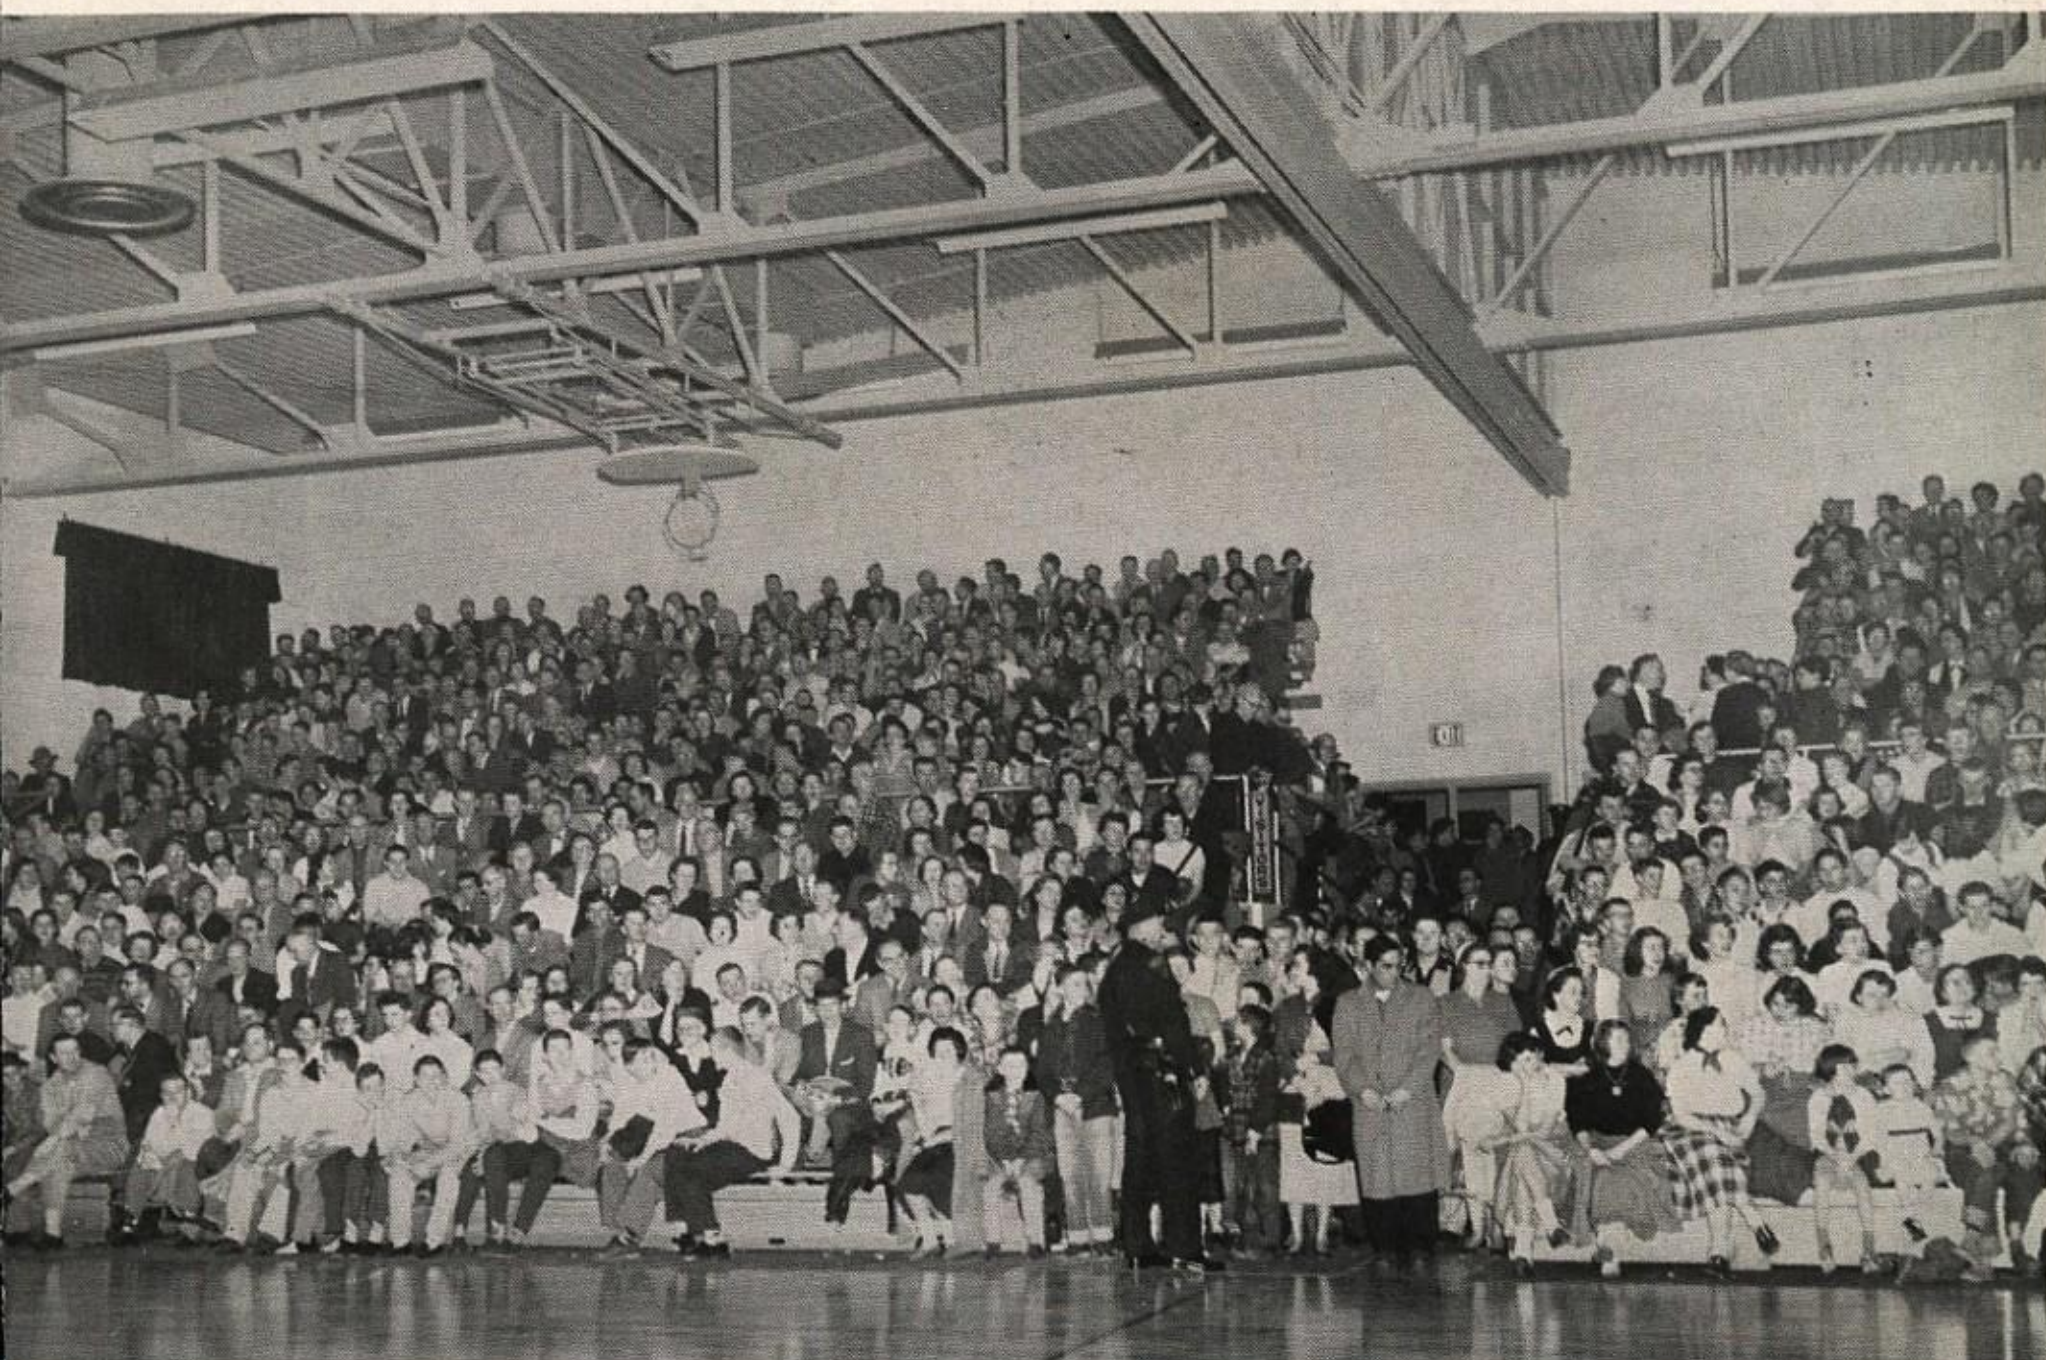

game of the season. As the season progressed they showed a driving ambition to play football which won them many a tough game. The success of these young Whippets should give the school and community an assurance of good things to come for Whippet grid elevens in the future.

NEW HOME FOR WHIPPET BASKETBALL STARS

A standing-room-only throng enjoyed the final three games of the 1954-1955 basketball season in the new Central gymnasium. The first game was played on Friday, February 4. The above picture is a view of part of the huge crowd that saw this game.

For the final game of the season over four hundred people were turned away after the gym was filled at seven o'clock.

LEFT TO RIGHT: Larry Baker, Eddie Stevens, Joe Wildman, Larry Siegfried, Eugene Sprow, Nick Davies, Coach Williams, Dick Cecil, Dave Blair, Lowell Jarrell, Dave Tullis, John Seltzer, Tom Payne.
KNEELING: Eugene Payne, Larry Loomis.

The Whippet Basketball Team this year completed the greatest season ever enjoyed by a Whippet cage five, by winning eighteen straight games and losing none, to go undefeated in regular season play. Along with the many honors that these athletes won was the distinction of being the FIRST SHELBY BASKETBALL TEAM TO WIN AN UNDISPUTED N. O. L. CHAMPIONSHIP.

Not only did the team win many honors, but the individual players brought much credit to the school. Sophomore star Larry Siegfried was awarded honorable mention on the All-Ohio

Basketball Team. Captain Ed Stevens and Larry were also named to the all area team. Whippet center, Dick Cecil, landed a first team birth on the All N. O. L. squad. On the second team were Nick Davies, Ed Stevens, and Larry Seigfried. Honorable mention on this squad went to Lowell Jarrell. All in all, Shelby was very well represented on the honorary cage teams in the state and area.

One of the most exciting games of the season was the Tiffin Columbian game on the Whippets' home floor. This was the last game in the old gym. Although this was a comparatively close game, the Shelby Whippets gave notice to the

rest of the league schools that they were on the way to their first undisputed league championship, by downing the Rams 75 to 71. The clincher for the championship was the last game of the regular season with Galion. In this thriller the Whippets turned back a spirited Galion five by a score of 83 to 74. This was a great way to end a great season in the Whippets' wonderful new gymnasium.

Another outstanding point of the season was the team records set. After breaking the scoring record two times by piling up 96 points against Tiffin Calvert and 99 points against Madison, the Whippet cagers finally broke the century mark by defeating Willard 102 to 63.

It has been very encouraging to Shelby fans this year to watch this group of young Whippets on the basketball court. Playing before each varsity game they racked up 12 wins while losing only 5. These lads supplied some real thrills for the spectators and showed great promise by outclassing most of their opponents. We feel that the Shelby basketball fans have nothing to worry about as these young cagers will undoubtedly continue the winning ways of Whippet basketball teams.

The baseball team last year rapped out a 9 won and 7 lost record for the season, and a 6 won and 4 lost league record. The Whippet baseballers failed to cop the league crown, but made an impressive showing by holding down second place. The top slugger for the year was Kenny Foreman with an average of .431. The team as a whole compiled an average of .323. There are eleven returning veterans back this year and these boys should make it very rough for opposing ball clubs this season.

WHIPPET GOLF TEAM

The Whippet golf team finished another successful season as they swept the Northern Ohio League for the third straight time with six consecutive league wins. The team's over all record was thirteen wins and only three setbacks. The team also traveled to the Sandusky Invitational and placed fifth in a field of fourteen of the state's finest teams. A new record was established as the Whippets won their 25th straight

home match on their home course. They have gone undefeated at home for the past three years and have also been one of the top sixteen teams in the state for the past three years. As the team lost but two of its 10 lettermen the Whippets are anticipating another successful season and their fourth consecutive Northern Ohio League Championship.

The Whippet Thinclads compiled an outstanding record in 1954 by winning all of their dual meets. There were many underclassmen on the "54" track season. The Whippets finished third in the annual Northern Ohio League meet, which was held at Upper Sandusky last year. Coach Roger Copeland expects this year, to have one of the strongest teams in the history of Shelby High School. We hope these lads can repeat the excellent showing of the 1951 N. O. L. Championship and bring the title back to Shelby.

" S " CLUB

To become a member of the "S" Club these boys had to earn a letter in any one of the varsity sports. Of course, this is just a start in becoming a member of this organization. After they have expressed a desire to join the club, they are called upon to endure the "test of courage". This group sponsors, with the G. A. A., a round and square dance. Mr. Wilkins, the advisor, keeps in close contact with the alumni lettermen by keeping track of their whereabouts so that the members of the club can inform them of the sports activities of the school.

RESERVE CHEERLEADERS

This familiar chant was heard by Shelby students at all football and basketball games. Both the Varsity and Reserve cheerleading squads went all out this year to cheer our teams on to victory. The four gals and a guy named Ted, along with the Pep Club, formed early in the fall, had charge of the Pep Rallies before important games. Their enthusiasm was outstanding and a credit to the school.

ATHLETIC AWARD FOR 1955

DUANE EMERSON

He has shown his athletic abilities, intelligent leadership, good sportsmanship, and his record will prove that he is a very good student. Duane has shown wise leadership while serving as president of the student council, too. It is a wonderful thing when a boy with so many talents will still keep his studies and grades high. It certainly shows that Duane realizes the value of good study habits.

Congratulations to Duane Emerson for a well-deserved Award!

The Annual Award to the Outstanding Athlete was chosen by a committee of teachers, coaches, and junior varsity members. This committee chose Duane Emerson as the Outstanding Athlete for the school year 1954-1955, and we feel that they have made a very wise choice.

This award is granted not only for athletic abilities, but also for scholarship, leadership, and sportsmanship. Duane has certainly proved him-

self on all four.

While in high school, Duane has taken part in football, basketball, and track. He was co-captain of the football team this year, and he should be commended for an excellent job in steering the team to the Championship. Duane holds the school record in discus throwing in track, and he has received many N.O.L. honors.

The Girls' Athletic Association had a difficult time meeting this year because of crowded conditions in the high school gym. Conditions improved after the completion of the new Central gymnasium and meetings were held twice a month.

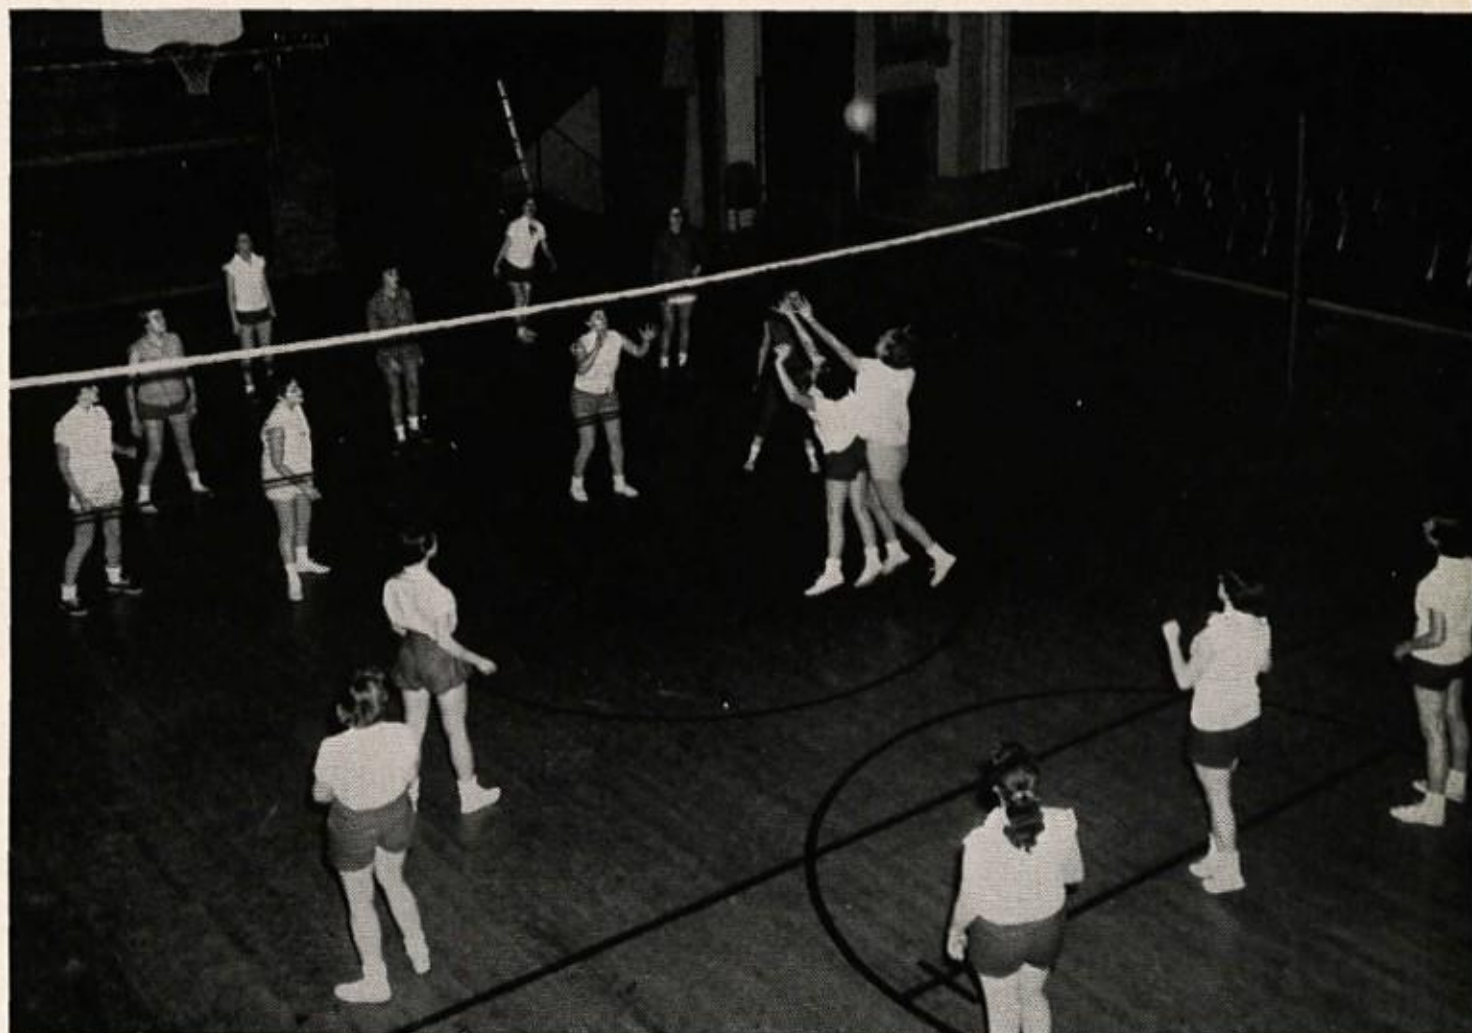

The G. A. A. boasts of 37 members ranging in grades from freshman to senior. An informal initiation was held for all new members in January. All girls surviving were then officially in this club.

President Sandy Ward handled the meetings well with capable assistance from vice-president, Elsie Swanger, and secretary-treasurer, Charlene Smith.

After the business meetings were finished the girls played basketball, volleyball, or softball. Bowling was also planned.

Points must be kept for all girls earning letters. June Knight, point chairman, was responsible for keeping the record on the total number of points each member had earned.

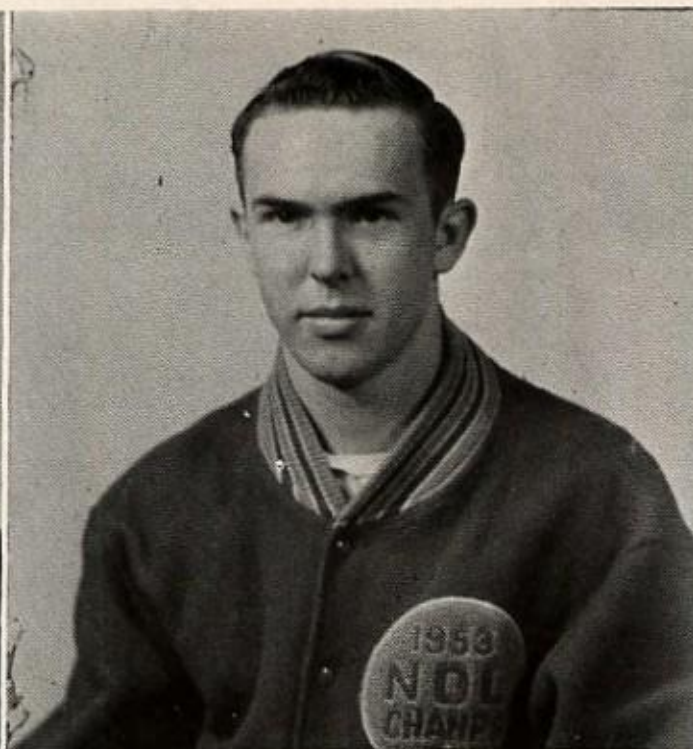

The girls of the G.A.A. enjoy basketball, volleyball, and bowling contests in their meetings of the year. This is a "shot" of the girls participating in one of these activities. Mrs. Julia Riddle, girls' physical education instructor, is advisor for the G.A.A.

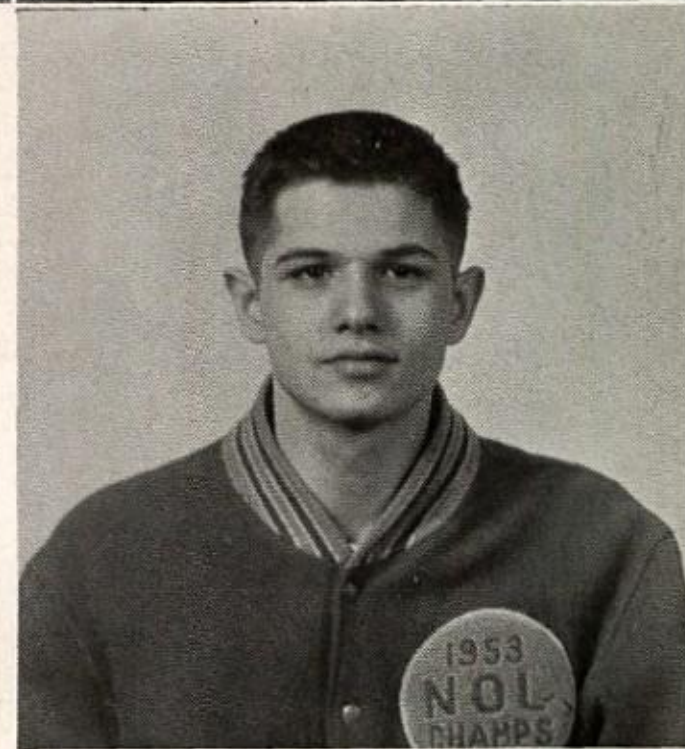

Sandra Ward, selected as the outstanding girl athlete of the G.A.A. for 1955. Sandra is a member of the Junior Class and has taken an active interest in G.A.A. since she came to high school.

Sandra Ward caught in the act of preparing to shoot for another goal in basketball.

THE NEW GYMNASIUM

When the plans were being made for the construction of Central Elementary School, a gymnasium was proposed to be built as a part of the new building. The lack of funds, though, made it impossible for the construction of the gym until a later date. In 1952 a bond issue was passed appropriating funds to add the new gymnasium. Work on the building was retarded for about two months because of a bricklayer's union strike. The gym was finally completed in January of 1955 and the first game was played in it on February 4, 1955.

The gym was planned to accommodate the elementary students and the boys' gym classes from the high school. A large folding door was installed to divide the gym into two separate gymnasiums. The elementary students can enter

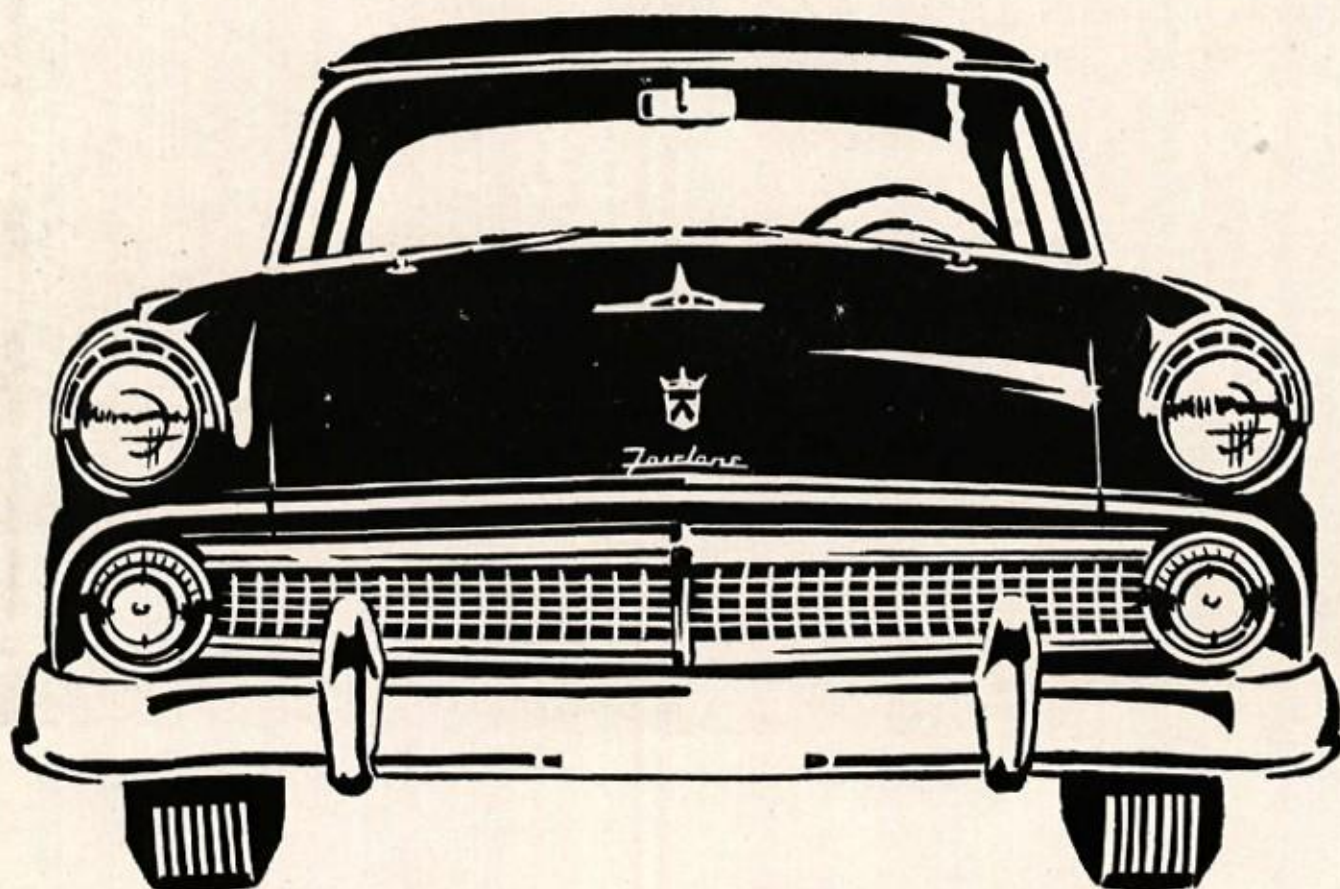

their gym directly from Central School, and the high school gym classes can easily enter their portion of the gym from the west door.

The playing floor measures 84' by 50' and is beautifully finished. There is a dressing room for the elementary gym classes which serves as the visitors' dressing room. Other shower rooms include the regular physical education room and the varsity locker room. All these rooms are equipped with lockers. There is also a coaches' room, a first-aid room, an equipment room, and a referee's dressing room.

The lobby is equipped with two ticket booths, two counters for candy sales, and a large trophy case donated by the class of 1944.

The gym seats 1400 people by the use of bleachers which roll completely out of the way.
